

Dear parents at Børnehuset Solsikken

On 24 February 2026, the Municipal Council finalised the case regarding the closure of Børnehuset Solsikken. It was a unanimous decision by the Municipal Council that Solsikken will close on **30 April 2026**.

This means that your child will need a new daycare placement from **1 May 2026**.

You will now receive a letter in your digital mailbox with information on what to do to secure a new daycare placement for your child(ren). Along with the letter, you will receive:

- an application form
- an overview of the municipality's daycare centres (addresses, lunch programmes, and opening hours)

As promised at the parent meeting, you can also find relevant information about the closure of Solsikken on the municipality's website [here](#)

Your preferences for a new daycare placement

To allow us to best accommodate your child's needs, we ask you to indicate which daycare centres you would like your child to be transferred to.

You may choose up to **three daycare centres**.

You are also welcome to inform of us any special circumstances. For example, if you prefer a daycare centre with or without a lunch programme, if you would like your child to be transferred together with a friend, or if you have a documented need for your future daycare centre to open at 06:00 in the morning.

In this regard, it has been decided that **Bybjerget Daycare Centre** will extend its opening hours from 1 May 2026 and will therefore open at 06.00 in the morning.

The administration will, to the extent possible, attempt to accommodate all requests. If this is not feasible, we will contact you by phone to discuss the best possible solution together.

Deadline and response

The administration must receive your preferences by **9 March 2026**.

You will receive an offer for a new placement by the end of **March 2026**.

We are very aware that this represents a significant change for children, parents, and staff. The administration and management at Solsikken will therefore do their utmost to ensure smooth and reassuring transitions to new daycare centres.

If you have any questions that Gitte cannot answer, you are very welcome to contact the Department of Daycare Services on weekdays between 09:00–11:00 by telephone on **30 76 99 19**.

Kind regards,

Karen H. Larsen
