

Dear parents at Børnehuset Solsikken

On 24 February 2026, the Municipal Council finalised the case regarding the closure of Børnehuset Solsikken. It was a unanimous decision by the Municipal Council that Solsikken will close on **30 April 2026**.

This means that your child will need a new daycare placement from **1 May 2026**.

To allow us to best accommodate your child's needs, we ask you to indicate which daycare centres you would like your child to be transferred to.

You may choose up to three daycare centres.

You are also welcome to inform us of any special circumstances that the administration should consider. For example, if you prefer a daycare centre with or without a lunch programme, if you would like your child to be transferred together with a friend, or if you have a documented need for your future daycare centre to open at 06:00 in the morning.

The administration will, to the extent possible, accommodate your preferences, but there may be cases where this is not feasible. If we are unable to meet your preferences, we will contact you by phone to discuss alternative options.

Along with this letter, you will receive a form to indicate your preferences, as well as an overview of all municipal daycare centres with addresses, telephone numbers, lunch programmes, and opening hours. Further information is available [here](#).

How to proceed

To access the form, please log in with MitID here and indicate your preferences [here](#)

If this is not possible, you may contact Citizen Service at Rødovre Parkvej 150, where assistance is available.

Citizen Service opening hours:

- Monday and Friday: 07:30–12:30
- Tuesday and Thursday: 12:00–19:00

Deadline and response

The administration must receive your preferences by **9 March 2026**.

You will receive an offer for a new placement by the end of **March 2026**.

We are very aware that this represents a significant change for children and their families, and we will do our utmost to ensure a smooth and reassuring transition for your child to a new daycare centre.

If you have any questions or concerns, you are welcome to contact the Department of Daycare Services by telephone on 30 76 99 19 on weekdays between 09:00 and 11:00. Here you can obtain information about placements and speak with an early years consultant if there are particular concerns you wish to discuss.

Kind regards,

Karen Haudrum Larsen
